TRACK GRADES (See Department of Conservation for full definitions) WALKING MOUNTAIN BIKING Éasy: Walking Track

Advanced: Tramping Track

Intermediate: Easier Tramping Track

Landcare Research under CC-BY 3.0 NZ

Easy: Walking Track
Suitable for people with low to moderate fitness and abilities. Track is mostly well formed, some sections may be steep, rough or muddy. Clearly signposted.

Intermediate: Easier Tramping Track
Suitable for people with limited backcountry (remote area experience. Track is generally well formed, some sections may be rough, muddy or steep. Track has signs, poles or markers.

Advanced: Tramping Track
Suitable for people with moderate to high level backcountry (remote areas) skills and experience, navigation and survival skills required. Track is mostly unformed, may be rough and steep. Track has markers, poles or rock cairns.

Mountain Bike Track (Grade 3 - Intermediate)

Mountain Bike Track (Grade 4 - Advanced)

The mountain bike track grades are derived from the Department of Conservation and are based on the

Grade 3: Intermediate

Steep slopes and/or avoidable obstacles possibly on narrow track and/or with poor traction. There may be exposure at the track's outside edge.

Grade 4: Advanced

A mixture of long, steep climbs, narrow track, poor traction and obstacles that are difficult to avoid or jump over. Generally exposed at the outside edge of the track. Most riders will find some sections easier to walk.
