TRACKS AND ROUTES

- 1. Brow Peak Route (poled route only)
- 2. Bush Creek Track
- 3. Big Hill Walkway / Sawpit Gully
- 4. Arrow Gorge Track
- 5. Sawpit Gully Walkway
- 6. Hayes Creek Walkway
- 7. Macetown Road

Glencoe Station tracks

- 8. New Chum Gully Track
- 9. New Chum Gully Link Track
- 10. New Chum Ridge Track
- 11. Miners Track
- 12. Peters Way
- 13. Brackens Saddle Track
- 14. Tobins Track
- 15. Tobins Drop
- 16. Crown Peak Track

ROADS (selected roads only)

- Te Araroa Trail
- metalled
- sealed

TRACK GRADES (See Department of Conservation for full definitions)

WALKING

- Easy: Walking Track
- Intermediate: Easier Tramping Track
- Advanced: Tramping Track

Easy: Walking Track
Suitable for people with low to moderate fitness and abilities. Track is mostly well formed, some sections may be steep, rough or muddy. Clearly signposted.

Intermediate: Easier Tramping Track
Suitable for people with limited backcountry (remote area) experience. Track is generally well formed, some sections may be rough, muddy or steep. Track has signs, poles or markers.

Advanced: Tramping Track
Suitable for people with moderate to high level backcountry (remote areas) skills and experience, navigation and survival skills required. Track is mostly unformed, may be rough and steep. Track has markers, poles or rock cairns.

MOUNTAIN BIKING

- Mountain Bike Track (Grade 3 - Intermediate)
- Mountain Bike Track (Grade 4 - Advanced)

The mountain bike track grades are derived from the Department of Conservation and are based on the Kennett Brothers grading system:

Grade 3: Intermediate
Steep slopes and/or avoidable obstacles possibly on narrow track and/or with poor traction. There may be exposure at the track's outside edge.

Grade 4: Advanced
A mixture of long, steep climbs, narrow track, poor traction and obstacles that are difficult to avoid or jump over. Generally exposed at the outside edge of the track. Most riders will find some sections easier to walk.

Parts of the tracks are dual use for mountain bikers and walkers - bikers must show consideration and give way to walkers.

It is recommended that users of these tracks carry with them a copy of the topographical maps NZ Topo50 CB11 Arrowtown and CB12 Cardrona.

WARNING!
Macetown Road requires numerous river crossings. This track should be avoided when the Arrow River is high or there is a risk of flooding.
